

The Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Dear The Federal Communications Commission,

Every time I turn around, during the present Administration, money is shifting and flowing from the citizens to a corporation. Make sure that corporations pay their fair share, don't make me pay corporate America's phone bills too. Support the Fair Share Plan.

Sincerely, Suzanne Sunshower

Sincerely,

Suzanne Sunshower
